

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Bureau of Hygiene, Buffalo, N. Y., has afforded a vast experience in wisely adapting and thoroughly testing remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outcome, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the most scrupulous and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for women's peculiar ailments.

As a powerful, invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "sickly" housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest curative agent, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, hysteria, nervous prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and dependency.

Dr. Pierce's Favorite Prescription is a legitimate medical preparation, carefully compounded by an experienced and skillful physician, and is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flow, painful menstruation, irregular suppression, prostration, or falling of the womb, backache, nervous weakness, "stagnation," retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of "menstruation" it is perfectly safe, and produces only good results. It is the only medicine for women that can be taken at any time, and in any quantity, without danger of any kind, and without the least risk of any kind.

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative pills (Little Liver Pills), cleanses the liver, kidneys and bladder, and restores the system to its normal condition, and restores the system to its normal condition, and restores the system to its normal condition.

THE MARCH OF PROGRESS!

OUR LATEST IMPROVEMENTS!

Competition is the Life of Trade, and if you have not seen our latest improved goods you are missing a great opportunity. The JAMES MEANS' \$3 SHOE, or the JAMES MEANS' \$4 SHOE, is a shoe that will give you the most satisfaction in the world. It is a shoe that will give you the most satisfaction in the world. It is a shoe that will give you the most satisfaction in the world.

JAMES MEANS' \$3 SHOE UNEXCELLED IN STYLE UNEQUALLED IN DURABILITY AND PERFECTION OF FIT.

JAMES MEANS' \$4 SHOE CANNOT FAIL TO SATISFY THE MOST FASTIDIOUS

Such has been the recent progress in our branch of industry that we are now able to affirm that the James Means' \$3 Shoe is in every respect equal to the shoes which only a few years ago were rated at ten or twelve dollars. If you will try on a pair you will be convinced that we do not exaggerate. Ours are the original \$3 and \$4 Shoes, and those who imitate our system of business are unable to compete with us in quality of factory products. In our lines we are the largest manufacturers in the United States.

One of our traveling salesmen who is now visiting the shoe retailers of the Pacific Coast and Rocky Mountain Region writes from there as follows: "I am more than satisfied with the results of my trip. I have thus far succeeded in placing our full line in the hands of a No. 1 dealer in every point I have visited." He goes on to say, "This is a splendid region for us to sell shoes in, because most of the retailers are charging their customers at retail about double the prices which the shoes have cost at wholesale. The consequence is that the people who wear shoes are paying six or seven dollars a pair for shoes which are not worth as much as our JAMES MEANS' \$3 and \$4 SHOES. Our shoes with their very low retail prices stamped on the soles of every pair, have been hitherto ruled in the retail markets here, and when a retailer puts a full line of goods in his stock they at once begin to go off like hot cakes, so great is the demand for them."

Now, kind reader, just stop and consider what the above signifies so far as you are concerned. It assures you that if you keep on buying shoes bearing no manufacturer's name or fixed retail price stamped on the soles, you cannot tell what you are getting and your retailer is probably making you pay double what your shoes have cost him. Now, can you afford to do this while we are protecting you by stamping our name and the fixed retail price upon the soles of our shoes before they leave our factory so that you cannot be made to pay more for your shoes than they are worth?

Shoes from our celebrated factory are sold by wide-awake retailers in all parts of the country. We will place them easily within your reach in any State or Territory if you will invest one cent in a postal card and write to us.
